

61J1-4.002, EQUIVALENCY EDUCATION

SUMMARY (Inserted for descriptive purposes. The summary is not part of the amended rule.)

Rule 61J1-4.002, Equivalency Education, was amended effective February 16, 2004. The rule was amended to bring it into compliance with statutory changes. The rule was amended to include post-licensing education.

CODED TEXT

61J1-4.002 Equivalency Education, effective February 16, 2004.

The criteria for approval of equivalency for courses completed by individuals seeking credit for pre-registration, ~~pre-licensure~~, pre-certification, post-licensing, or appraiser continuing education shall be that the course or courses covered substantially the same subject matter, hours of attendance, hours of instruction, and completion standards as prescribed by the Florida Real Estate Appraisal Board in Rule 61J1-4.001, 4.003 or 4.007, Florida Administrative Code. Application for past course evaluation shall be accompanied by an official transcript or other documentation showing the subjects taken together with the date completed and grade received. If the requested information is found lacking to show course equivalency, the Board shall request supportive documentation to determine course equivalency.

Specific Authority: 475.614 FS. Law Implemented: 475.613, 475.615, 475.617 FS. History—New 10-15-91, Formerly 21VV-4.002, Amended 4-6-98, 3-31-02, _____.

FINAL VERSION

61J1-4.002 Equivalency Education.
